Shannon R. Mayers, Director

October 15, 2013

Dear Sue,

Just a quick note to let you know that the Redfern had a splendid time with Donal Fox on September 20. His workshop of improvisation was very well received; he is an excellent (and funny) teacher. It was great for the students that there was time enough to play for Donal and get feedback.

The concert was very well attended, and was incredible. Donal and his trio were so precise, and yet totally grooved when they switched over to jazz. I heard audience members saying they had never been to a concert where classical and jazz music were so well blended and presented. Our new President attended the show and she was thrilled.

Thanks so much for bringing Donal to my attention, it was a great event, and I know my audience would love to see him again!

Best,
